Project Management

Spoken languages

Romanian – native proficiency

English – native proficiency

German – fluent

French – conversational

Driving license

2001: Categories A & B with over 600.000 km driving experience and no major accidents...except that time when I actually had to buy a new car afterwards... it doesn't matter. It wasn't my fault.

Favorite quote

"Don't accept average habits, open your heart and push the limits." - Enigma

Other "studies"

Karate – 6 years
Piano – 6 years
Canto (Tenor) – 4 years

Never have I ever

- gotten bored watching the sunset;
- thought it was a good idea to spend a sunny day at home;
- refused when I was asked out to party with my colleagues;
- thought there was no more room left for improvement;
- stopped believing in people and the wonderful things we are capable of;
- stood on the side when someone was being bullied;
- watched a cool movie only once;
- preferred the mall to a walk in the forest;
- cared that people think I sometimes dress like an old man;
- insulted anyone (at least not knowingly);
- stopped being curious.

Work Experience and Achievements

2008-08 – present: **OD Consultant** – Freelancer (continued)

- Own projects
 - **Trainer** – delivered several training and team building programs on communication, sales, presentation skills, teams, and leadership, mostly to local companies;
 - **Recruitment specialist** – worked on a few recruitment projects for local businesses, using methods involving behavioral analysis;
 - **Executive coach** – worked with several clients to offer them support in finding solutions to their professional challenges;
 - **Software developer** – developed a performance appraisal system, a primary bookkeeping software and a system to manage Occupational Safety and Health documentation, in PHP & MySQL;
 - **Occupational Safety and Health Inspector** – delivering OSH services to local companies.

2007-12 – 2008-08: **Data Analyst** – Orange Shared Services, Bucharest

- Improved structure of the database and created optimization algorithms in collaboration with the Database Architect;
- Improved quality and added intelligence to the existing data;
- Designed and delivered the *Workshop on Change* – my first soft skills training program, based on *Who Moved My Cheese?* – to prepare a department of 100+ employees for the pending reorganization.

2007-01 – 2007-12: **Statistics Analyst** – Orange Romania, Bucharest

- Increased productivity by over 210%, by developing new technologies;
- Improved team engagement and reduced response time;
- Attracted new internal clients to benefit from the team's services.

2005-09 – 2007-01: **Customer Care Representative** – Orange Romania, TM

2004-04 – 2005-04: **Sales Representative** – Villeroy & Boch, Timisoara
